

## TAG Faculty Panel Nominations

**In order to ensure appropriate representation of institutions we will be accepting nominations for faculty to serve on a number of TAG review panels. There are 22 TAG disciplines areas that need additional faculty members or are newly formed TAG panel disciplines.**

**Once all recommendations are received we will determine which recommendations/institutions will best complete each panel. If your nomination is accepted we will follow up with you individually first and then with the nominated faculty member(s) with information on next steps.**

**Please nominate faculty colleagues from your institution to serve on these panels. This survey has been designed so that you will be able to enter your nominations for the 22 TAG disciplines.**

**Please complete your nominations by Friday, January 10, 2020.**

**Thank you in advance for your continued support!**
